

Welcome to MHT CET Engineering Course!

We are excited to offer you a comprehensive course designed to help you excel in the Maharashtra Common Entrance Test (MHT CET) for Engineering. Our course has been designed by a team of experienced and qualified faculty members to ensure that you receive the best education possible.

What is MHT CET for Engineering?

MHT CET for Engineering is an entrance exam for undergraduate engineering programs in Maharashtra. This exam is conducted by the State Common Entrance Test Cell for admission to various engineering colleges in Maharashtra.

Our Course:

Our MHT CET for Engineering course covers all the topics and concepts that are required to excel in the exam. We provide both online and offline modes of education, allowing you to choose the mode that suits you best. Our course comprises the following:

**Comprehensive Study Material:** Our study material is designed to cover all the topics and concepts required for MHT CET for Engineering. The material is regularly updated to include the latest exam pattern and syllabus changes.

**Online/Offline Classes:** We provide live online classes that are conducted by experienced faculty members. These classes help you to clarify your doubts and learn in a structured manner. Additionally, we also offer offline classes, providing you with the flexibility to learn in a way that suits you best.

**Mock Tests:** Our course includes a series of mock tests that help you to identify your strengths and weaknesses. These tests are designed to simulate the actual MHT CET for Engineering exam and help you to get a feel of the real exam environment.

**Doubt Solving Sessions:** Our faculty members are always available to help you with your doubts and queries. We offer doubt solving sessions to ensure that you have a clear understanding of all the topics covered in the course.

Course Fee:

The fee for our MHT CET for Engineering course is Rs. 35,000. This fee includes all the study material, online/offline classes, mock tests, and doubt-solving sessions. Additionally, we also offer a scholarship program for deserving students.
